Wish List!

Honeywell

Authorized Security Dealer

I wish for...

An easy way to control my home and energy costs.

Add a Tuxedo Touch™ home controller, video viewer, digital picture frame, web server and security system keypad to your **existing Honeywell or First Alert Security System!**

Peace of mind... Comfort & control

Imagine how convenient it would be to leave your house in the morning and entrust Tuxedo Touch to:

- Arm your security system
- Lock the doors
- Adjust the thermostat
- Turn off the lights

The magnificent, 7" high-resolution graphic touchscreen can help you make the most of your home, letting you enjoy lifestyle enhancement, energy savings and endless possibilities.

A built-in web server allows you to locally control Tuxedo Touch™ anywhere in your home on an iPhone®, iPad®, Android™, BlackBerry®, web-enabled TV or any compatible wireless mobile device.
