

I wish for...  *A way Mom could get help at the push of a button. I worry about her when she's outside gardening.*

LifeSentry® Two-Way Voice Pendant

Living independently is the desire of most individuals. However there are times when living alone can mean there is nobody to assist you during an emergency.

Emergencies can happen anywhere in your home, yard or driveway. LifeSentry offers the ability to summon assistance at any time with the simple push of a button.

The Best Emergency Response System for the elderly, Isolated, disabled or lone workers.

I wish for...  *Something to notify me if anyone opens my back gate or steals my quad or bikes!*

When it Comes to Outdoor Protection, We Go to Extremes!

Wireless Outdoor Contact

- Sturdy, all-weather housing is ideal for gates, sheds, fences, barns, detached garages or any other outdoor areas in residential or commercial environments
- Connects to your existing security system and can be monitored by a central station 24/7 to summon the authorities
- **Temperature range from -40° F**

Optional Armoured Pull Apart Contact for boats, bikes, lawn tractors etc.

Want to Be Aware When You're Not There?

Get notified on your smartphone or compatible device when activity is detected outside your home.

Total Connect™ Remote Services can notify you via text message or e-mail when your shed door, gate or garage is opened!
